

INTERNSHIP CERTIFICATE

August 1, 2025

To Whom It May Concern,

This letter is to formally confirm that **Kuber Mehta** has successfully completed an internship as part of the **AI Summer Residency**, organized by **Nas Company**, which took place at **Nas House in Dubai, United Arab Emirates**, from **July 1, 2025 to July 30, 2025**.

The AI Summer Residency is a creative, project-based program that brings together young minds from around the world to explore the possibilities of Artificial Intelligence. Over the course of 30 days, he collaborated with fellow participants, shared knowledge, and actively contributed to a vibrant, innovation-driven community.

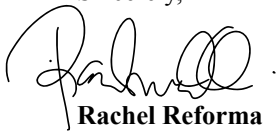

During the residency, he:

- Engaged in workshops and mentorship sessions led by industry professionals and AI practitioners
- Collaborated with a diverse group of students and creators on group challenges and creative sprints
- Contributed to the development of an AI-focused product or project, from ideation to prototype
- Participated in peer reviews, brainstorming sessions, and group presentations

Kuber demonstrated curiosity, creativity, and collaboration throughout the program, and we were proud to have him as part of this program.

We wish Kuber all the best in their continued journey in the world of AI and innovation.

Sincerely,

Rachel Reforma
